

Let's talk about observations...  
how many,  
where, when

Let's talk about estimating  
and counting...  
how many,  
more, less

Let's talk about  
measurements...  
tall, wide,  
deep, shallow

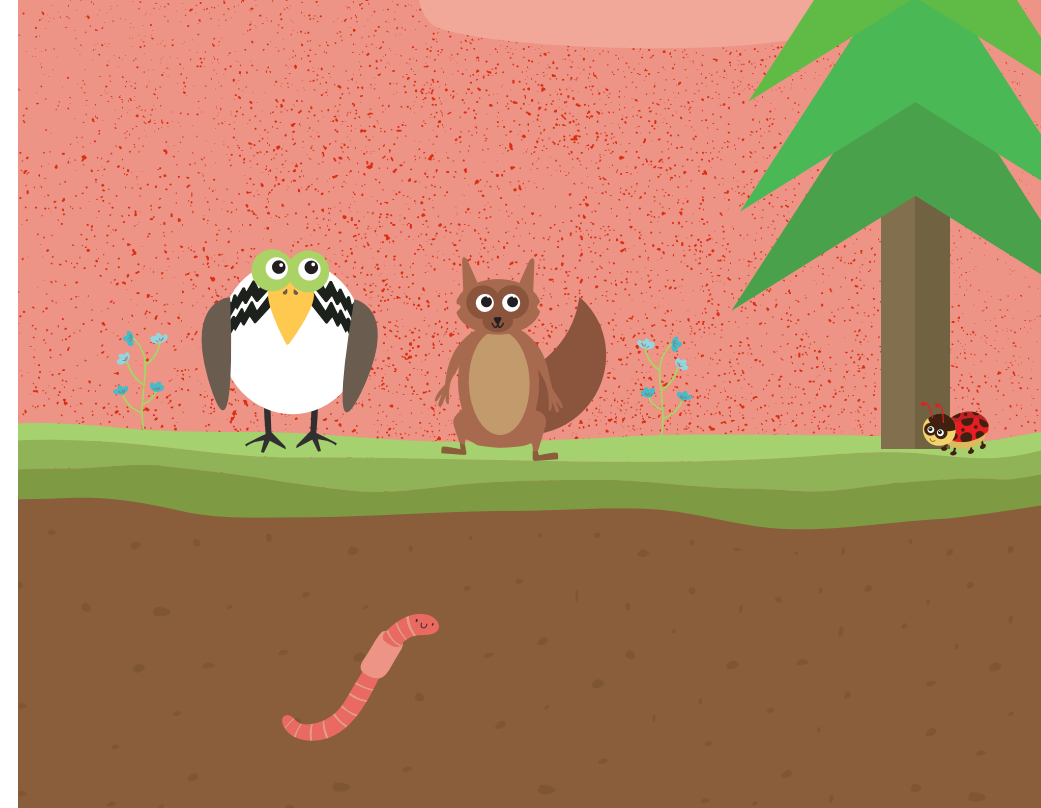

Let's talk about directions...  
stop, go, slow,  
wait, right, left,  
forward, back

Let's talk about shapes...  
circles, squares,  
diamonds

Let's talk about placement...  
above, below,  
next to, under,  
behind

Let's talk  
about patterns...  
first  
then  
next  
repeat

Let's talk  
about classification...  
same, different

Neighborhoods are  
filled with Everyday  
Language and Math  
Learning Opportunities
