

Laundry Time

That's a lot of socks in our pile of laundry. How many do you estimate we have?

9 socks.

9 socks? Tell me how you know there are 9 socks.

I counted them.

You counted them. Let's count them together.

1, 2, 3, 4, 5, 6, 7, 8, 9

Great counting! How many pairs can we make? How can we group them?
